

Rathinam Anugraha 2026

Student Guide — How to Complete Your Registration & Sign Your Documents

Welcome! This short guide walks you through every step of your online induction — from logging in for the first time to downloading your completed, signed Anugraha 2026 record. The whole process takes about 15–20 minutes. Keep your registered mobile phone nearby: you will receive an OTP on it.

STEP 1 — LOG IN

1

Open the portal

Go to the induction portal link shared by your institution and tap **Student Login**.

2

Sign in with your register number

Your **username is your Register Number** (e.g. RC2026001) and your password was given to you by the Admissions Office.

First time logging in? You will be asked to set a new password. Choose one only you know.

STEP 2 — FILL THE REGISTRATION FORM

3

Complete your details

From your dashboard, open the **Student Registration Form**. Fill in your personal, contact and academic details. Your progress is saved as a draft automatically, so you can continue later if needed.

4

Add your signature (and your parent's)

At the end of the form you will see a signature box. **Draw your signature** with your finger (phone) or mouse (computer), just as you would sign on paper. Your parent or guardian signs in their own box the same way.

This signature is saved securely and reused for your other documents — you only draw it once.

5

Submit

Check your answers and tap **Submit**. A submitted form is locked — contact the office if something needs correction.

STEP 3 — SIGN THE REMAINING FORMS (WITH OTP)

6

Open each remaining step

Your dashboard lists every step: acknowledgment forms, the deliverables table, and document uploads. Open them one by one — read each clause and tick each row you are acknowledging.

7

Verify with the OTP

To apply your saved signature, tap **Sign** — a 6-digit OTP is sent to your registered mobile number. Enter it and your signature is applied automatically.

No OTP received? Wait 30 seconds and tap Resend. Still nothing? Your mobile number may be wrong on file — contact the Admissions Office.

STEP 4 — READ & SIGN YOUR AGREEMENTS

8

Scroll through the agreement

In the **Agreements** section of your dashboard, each agreement opens right on the page. **Scroll through it to the end** — the Sign button unlocks only after you have read through the document.

9

Complete the fields and sign

Tick the confirmation boxes, fill any text fields, then tap **Sign agreement**. Your saved signature (and your parent's, where required) is placed on the document exactly where the institution marked it.

You can download your signed copy any time using the View link.

STEP 5 — UPLOAD DOCUMENTS & FINISH

10

Upload your documents

Upload clear photos or scans of the requested documents (10th & 12th marksheets, Aadhaar, photo, TC, etc.). Accepted formats: **PDF, JPG, PNG or WEBP, up to 10 MB** each.

11

Review and final submit

Open the **Review** page. Every step should show a green Completed badge. Tap **Final Submit** — your complete Anugraha 2026 record is generated as a single PDF: your forms, acknowledgments, signatures, signed agreements and document checklist together.

12

Download your record

On the Completion page, tap **Download PDF** and keep a copy safely. That's it — you're done!

Your record is also available to the institution digitally — no printout is required unless the office asks for one.

Need help?

Forgot password → use the reset option on the login page, or contact the Admissions Office. OTP not arriving → check your registered mobile number with the office. Upload failing → make sure the file is PDF/JPG/PNG/WBP and under 10 MB. Anything else → reach the Admissions Office help desk during working hours.
